

Use the *passé du conditionnel* to tell what people WOULD HAVE DONE or what WOULD HAVE HAPPENED if a certain condition had been met.

ex: Si j'avais pu, j'aurais acheté une meilleure voiture.

ex: Elle ne se serait jamais endormie si sa mère ne lui avait pas raconté un conte de fées.

Formation: SAME as *passé composé*, except that the helping verbs are in conditional form.

***avoir* or *être* in conditional form + past participle**

All other *passé composé* rules apply.
